Warning: The Bank reserves the right to reject any application at its sole discretion and withdraw any plan at any time. If you do not make regular installment payments according to your loan repayment schedule, you may lose your house. There are charges for early loan repayment. In case of variable interest rates, the installment amount and total cost of the facility may increase or decrease depending on variations in the base rate.

Note 1: It is noted that the margin based on the ECB Base Rate is currently and indicatively from 2,00% to 2,15% and the total interest rate based on the ECB Base Rate is currently and indicatively from 5,40% to 5,55%. The interest rates offered vary based on criteria evaluated and applied by the Bank in accordance with its credit policy as applicable from time to time, taking into account factors such as customers' credit history, the collateral, the loan amount and loan duration, as well as the applicant's contribution. For more information, please contact any of the Bank's branches.

Note 2: It is noted that the margin based on the BCBR is currently and indicatively from 3,00% to 3,15% and the total interest rate based on the BCBR is currently and indicatively from 4,75% to 4,90%. The interest rates offered vary based on criteria evaluated and applied by the Bank in accordance with its credit policy as applicable from time to time, taking into account factors such as customers' credit history, the collateral, the loan amount and loan duration, as well as the applicant's contribution. For more information, please contact any of the Bank's branches.

Note 3: There are alternative options for pricing with fixed or variable interest rate. For more information you can contact a Relationship Officer in our Branch network.
